

Osceola Anglers High School Fishing Club, Inc.

Investing in our Youth---An Investment in the Future

Dear Friend of the Community,

On behalf of the Osceola Anglers High School Fishing Club, it is my pleasure to extend an invitation for you and your company to partner with us and become a sponsor of the 2018-2019 Fishing Season. The Osceola Anglers is a non-profit organization whose primary object is to create a friendly environment where high school students can learn, and share their experiences, in and out of the sport of fishing. To this end, it is our goal to instill values and character through outdoor life experiences, promote environmental awareness, outdoor ethics, personal responsibility and goal attainment, and have fun in the process.

The mission of our club is to provide a competitive tournament fishing experience, while also providing an environment for high school students to take responsibility, learn how to communicate and run a productive meeting. We will offer the opportunity to learn, to newcomers to the sport, as well as experienced anglers. Our club is designed to teach new techniques, methods and ideas related to bass fishing and illustrate how science plays a significant part in fishing. Our "team" tournament style helps build strong and lasting friendships between our members, and our members will also learn social skills and to take pride in their own work, as they conduct their own meetings and establish committees to achieve goals. Most importantly, our goal is to have fun and catch lots of fish.

The purpose of the Osceola Anglers High School Fishing Club is to promote, stimulate, and encourage high school students in the art of bass fishing through education of proper techniques, ethics, and sportsmanship. We will stress the importance of "catch and release" and guide our members accordingly in the conservation of our aquatic and natural resources. We will strive to develop life and leadership skills while fulfilling all the responsibilities owed to our community and state enhancing ones skills in the further development of youth competitive and recreational fishing. We will also encourage strong academics and strive to provide scholarship opportunities for our members.

Your sponsorship will assist with the very high costs that accompany the operation of this club, such as; insurance, jerseys, equipment (scales, lures, fish bags), trophies, and administrative fees, etc...

We understand that these are tight economic times for us all and that our timing for such a request may not be the greatest. All we ask is that you please take a moment to review the enclosed sponsorship material. It is our sincere hope that you and your company will be able to find a comfortable level of sponsorship for the Osceola Anglers High School Fishing Club. Your commitment and support will have a lasting impression as you help fulfill the hopes and dreams of our Local High School Students of Osceola County

Please accept a heartfelt THANK YOU from the Osceola Anglers for your time, consideration, and support.

If you have any questions or require any additional information, please feel free to contact me. We look forward to hearing from you soon.

Sincerely,

Osceola Anglers

4075 Canoe Creek Road
St. Cloud, FL. 34772

Angler Name _____

Angler sponsorships are used for the Club, not an individual angler. Each angler is required to obtain one individual or business to support our mission and purpose each year they participate in the club.

If it were not for the individuals and businesses who support Osceola Anglers, we would not be able to provide this opportunity to the high school students.

Sponsor's Signature

Sponsor's Printed Name

Please send your company logo to osceolaanglers@gmail.com in EPS format. If we do not receive your logo, the company name will be printed instead. In email subject line type LOGO FOR SPONSORSHIP.
